

# Ace the Interview: Online

With virtual hiring processes becoming the norm, mastering online interviews is essential. Our “Ace the Online Interview” training provides participants with the tools to excel in video interviews, from technical setup to effective virtual communication. Through simulated online interviews and expert feedback, participants will learn how to present themselves professionally and make a strong impression in remote hiring processes.

## Outcomes

- **Optimize technical setup for virtual interviews**  
Ensure a professional online presence with the right camera, lighting, and background.
- **Master virtual body language and eye contact**  
Learn techniques to maintain engagement and confidence through a screen.
- **Handle technical issues with confidence**  
Develop strategies to manage connectivity issues, audio delays, and other virtual challenges.
- **Enhance vocal clarity and virtual communication**  
Improve articulation, pacing, and tone to ensure a strong online presence.
- **Practice answering questions in a virtual format**  
Engage in mock online interviews with real-time feedback.

## Format

- four-hour in person/online training session
